WHEREAS the Minister of Public Works reports as follows:

that on February 9, 1966, Her Majesty in right of Canada acquired from Mr. Romuald Paquet, for the sum of \$4,000, a parcel of land being part of lot 43-A-7 and measuring 128 feet frontage by a depth of 116 feet together with a right-of-way 10 feet wide to a depth of 108 feet, situated at Ste-Anne-des-Monts, Province of Quebec, and being more particularly described in Schedule "A" hereto;

that Mr. Romuald Paquet requested the Department of Public Works to consider an exchange of a small parcel of land being part of lot 43-A-7, containing an area of 341 square feet and being more particularly described in Schedule "B" hereto, for a small parcel of Crown-land being part of lot 43-A-7, containing an area of 645 square feet and being more particularly described in Schedule "C" hereto;

that Mr. Romuald Paquet has agreed to pay \$0.32 per square foot for the surplus area of land being approximately 304 square feet for the total sum of \$97.28;

that the said exchange of lands will not reduce the utility or value of our property and in fact will improve the shape of our site as well as Mr. Paquet's property;

that the right-of-way acquired on February 9, 1966, as described in Schedule "A" hereto, was for the purpose of laying and maintaining a water line and a sewer line. However, the Department of Public Works advises that the water and sewer pipes were installed on part of lot 43-A-7, measuring 10 feet by 106 feet and being more particularly described in Schedule "D" hereto, and not where it was previously planned at the time of the purchase of the Post Office site; and

that the Department of Public Works recommends that the Crown release its interest in the said right-of-way described in Schedule "A" and that a new servitude be granted to Her Majesty in right of Canada in favour of part of lot 43-A-7 and as described in Schedule "D" hereto, for the benefit of and appurtenant to the parcel of land described in Schedule "A" hereto.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Public Works, pursuant to the Public Lands Grants Act, is pleased hereby to authorize the grant to Mr. Romuald Paquet of the parcel of land described in Schedule "C" hereto, Letters Patent to issue accordingly upon Mr. Romuald Paquet conveying to Her Majesty in right of Canada the parcel of land described in Schedule "B" hereto.

HIS EXCELLENCY IN COUNCIL, pursuant to the said Act, is further pleased to authorize the issuance of quitclaim Letters Patent unto Mr. Romuald Paquet, quit-claiming all of the interests of Her Majesty in right of Canada in the right-of-way over the land described in Schedule "A" hereto and that a new right-of-way be granted to Her Majesty in right of Canada for the passage and maintenance of a sewer and water pipeline over part of lot 43-A-7 and as described in Schedule "D" hereto.

WHEREAS the Minister of Veterans Affairs reports as follows:

that subsection (1) of section 24 of the Veterans' Land Regulations provides that the Director may not approve financial assistance on behalf of a veteran qualified as a small holder on an area of land containing less than one-half of one acre but, at the discretion of the Director, this area may be reduced by 20%;

that qualified veteran Edward Michael Warren requests that the Director of the Veterans' Land Act provide financial assistance in respect of a property containing part of Lot No. 11, Concession 1, Township of Malton, County of Essex, Province of Ontario, containing an area of approximately 17,120 square feet;

that veteran Warren located the aforesaid property and discussed its purchase with officials of the Veterans' Land Act and since there was an urgent closing date it was suggested to the veteran that he purchase the property privately with the understanding that subsequently encumbrances related thereto could be discharged by the Director;

that subsequent to acquisition of the property by veteran Edward Michael Warren, it was considered necessary as a condition to acquisition of title by The Director, The Veterans' Land Act, to have a survey completed. As a result, it was calculated that the area comprised 17,120 square feet which is 304 square feet short of the minimum one-half acre less 20% which is 17,424 square feet; and

- 2 -

that since qualified veteran Edward Michael Warren approached this transaction in good faith seeking the advice of Veterans' Land Administration officials before proceeding with purchase, it is considered that he should be provided financial assistance under the Veterans' Land Act, notwithstanding the area which is slightly less than the minimum prescribed by Regulation.

THEREFORE, HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Veterans Affairs, is pleased hereby to approve the establishment of qualified veteran Edward Michael Warren on a parcel of land described as part of Lot 11, Concession 1, Township of Malton, County of Essex, Province of Ontario, containing an area of approximately 17,120 square feet which is less than the prescribed minimum of one-half of one acre.

that Kenneth A. McAllister has an impairment of health assessed by medical officials of this Department as equating with a 70% disability pension as a result of which he is advised against driving an automobile;

that Kenneth A. McAllister, pursuant to section 25A of the Veterans' Land Act, has not been certified by the Director on or before the 31st of October, 1968, to be qualified to participate in the benefits of the Act;

that Mary Patricia McAllister, wife of Kenneth A. McAllister, has been certified as qualified to participate in the benefits of the Veterans' Land Act;

-2-

that since properties containing the minimum area as prescribed by said Regulation are not serviced by public transportation for commuting to employment, Mary Patricia McAllister requests financial assistance be provided in respect of a property containing an area of less than one-half of one acre;

that if veteran Kenneth A. McAllister had been certified by the Director to be eligible to participate in the benefits of the Act he could be settled on a parcel of land containing less than one-half of one acre; and
